

## CLARITY IN THE DARK

**The antlered one is in the house, mixing it up with the cosmos to say, “You got this.” Stay clear and present. Channel truth through your spirit with your feet firmly on the ground. Summon strength from the earth. Prioritize healing to overcome weariness. You’re being led through the Mystery, and you’ll know more when you know.**

What do you want to move through?

What stands between you and Connection, Joy, Trust, Innocence, Vulnerability, Quiet peace?

What do you want more than anything?

What will it take for you to have this experience?

How are you embodying belonging?

Who or what is guiding you to your destiny?

How are you honoring your time here?

What helps you get honest about what is coming to you?

What is cleansing you?

Where do you feel strength in your body?

How can you move in a way that brings you joy?

What supports your physical, mental, emotional, and spiritual wellness?

What adventures do you want to take?

What is downloading from the Source that seeks to nourish you?

*What you feed grows stronger*

*So take a seat and feast at the buffet of life.*
